

Jed Adryon Fernandez

Video Editor/Graphic Designer

About Me

Freelance Video and Photo Editor with 5+ years of experience producing long-form podcast episodes, video ads, and visual content for local and international clients. Skilled in the full post-production pipeline – from raw footage to polished, audience-ready exports. Proficient in Adobe Photoshop for image retouching and Adobe Illustrator for graphic design assets. Known for clean, story-driven edits delivered reliably and on time.
